2.7 Evaluation of Technical Proposal

2.7.1 The evaluation committee appointed by the Client shall evaluate
the proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria as indicated in the Appendix to Information to consultants.

Each responsive proposal will be given a technical score (St). Actual score points are provided in the Appendix “ITC”. A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix “ITC”.

2.8 Public Opening and Evaluation of Financial Proposal

2.8.1 After Technical Proposal evaluation, Scheme shall notify those Consultants whose proposals did not meet the minimum qualifying mark or were considered non-responsive to the RFP and Terms of Reference, indicating that their Financial Proposals will be returned after completing the selection process. Scheme shall simultaneously notify the Consultants who have secured the minimum qualifying mark, indicating the date and time set for opening the Financial Proposals and stating that the opening ceremony is open to those Consultants who choose to attend. The opening date of the financial proposal shall be after completing technical evaluation. The notification may be sent by registered letter, cable, telex, facsimile or electronic mail to invite the bidder for opening ceremony.

2.8.2 The Financial Proposals shall be opened publicly in the presence of the consultants’ representatives who choose to attend. The name of the consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened. Scheme shall prepare minutes of the public opening.

2.9.1 Negotiations will be held at the same address as “address to send information to KNH Staff Superannuation Scheme” indicated in the Appendix “ITC”. The aim is to reach agreement on all points and sign a contract.

2.9.2 Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. Scheme and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly defining the inputs required from Scheme to ensure satisfactory implementation of the assignment.

2.9.3 Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no fees breakdown).

2.9.4 Having selected the form on the basis of, among other things, an evaluation of proposed key professional staff, Scheme expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, Scheme will require assurances that the experts will be actually available. Scheme will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.

2.9.5 The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations Scheme and the selected firm will initial the agreed Contract. If negotiations fail, Scheme will invite the firm whose proposal received the second highest score to negotiate a contract.

2.9.6 Scheme shall appoint a team for the purpose of the negotiations.

2.10.3 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

The tenderer shall sign a declaration that he/she has not and will not be involved in corrupt or fraudulent practices.

2.12.2 Scheme will reject a proposal for award if it determines that the consultant recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
